Open to all homeschoolers K-12!

What is a STEM fair project?

STEM fair projects are projects based on the areas of science, technology, engineering, and math. Students are encouraged to be creative and design, build, and experiment with topics that interest them. We want to challenge homeschoolers to be original, but above all, LEARN!

How are projects presented?

Homeschoolers will upload their project videos to our site. Each presentation will be 3-5 minutes long.

Important Dates:

- Accepting Entries 8/22/2022 ~~9/26/2022~~ (**Extended to 10/6/2022**)
- Initial scoring by our site judges 10/7/2022-10/10/2022
- The public will vote on top choices from judges on A2Z from 10/11/2022-10/28/2022
- Winners will be announced 11/8/2022 (National STEM Day)
